## Family Connect:

“Take them by the hand” What does Pastor Phil mean by that statement? Ask yourself, “Am I intentionally setting time aside to speak faith truths into my kids or looking for those teachable moments along life’s way. Yes, it will require effort and, at times, inconvenience. Please know that YOU have the greatest influence on your kids.

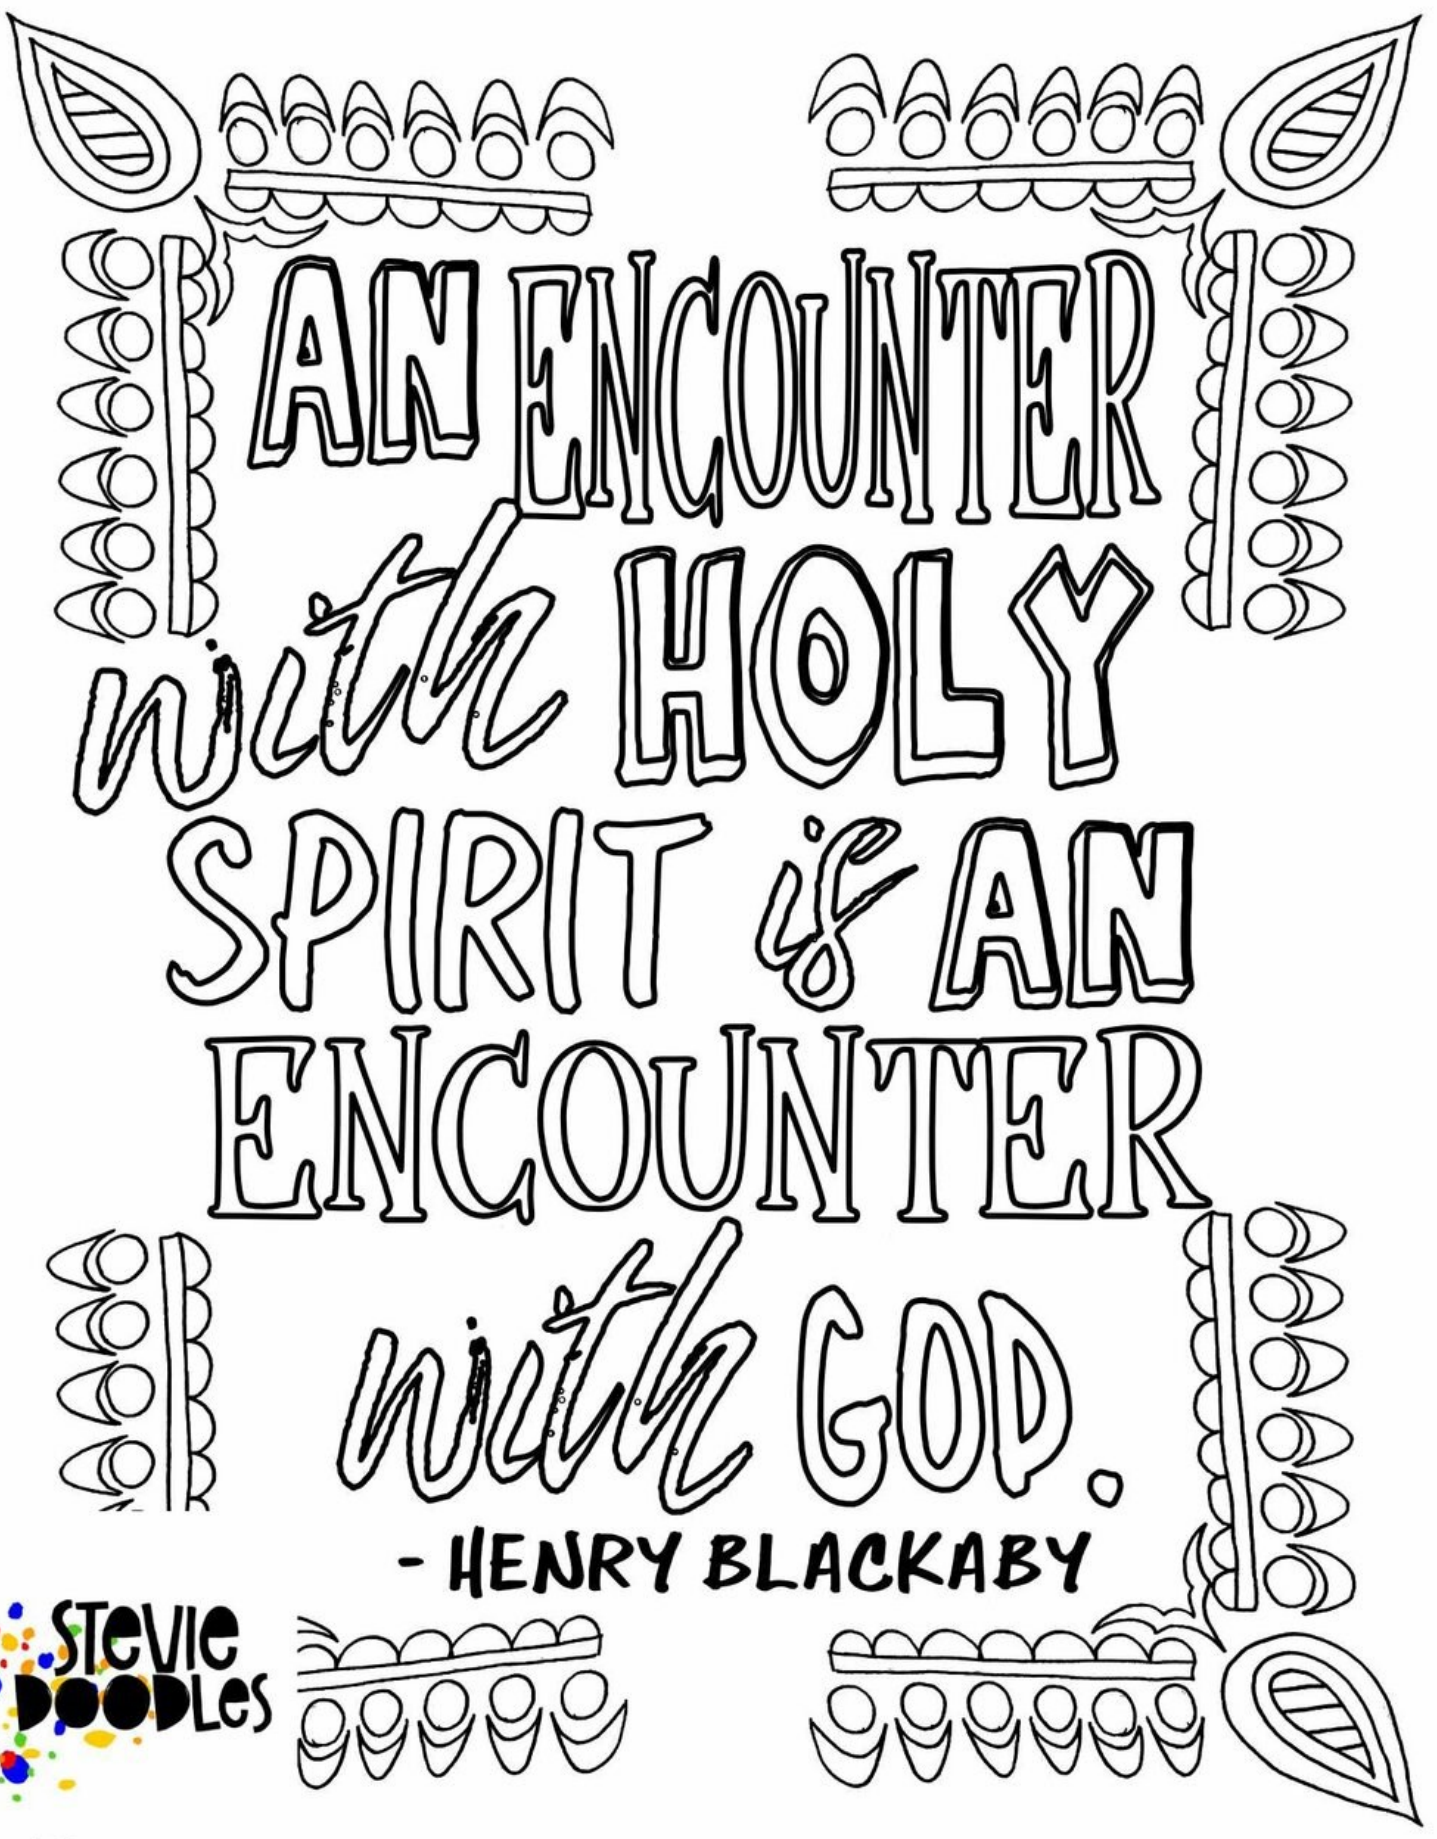

### Ideas:

Scripture Memory: Get the FREE Seeds Family Worship 20 verses in 2020 pack. Learn a verse a week as a family.

Prayer Time: Use a whiteboard to write down people and things you are praying for as a family. Track answers and stop to give praise.

Bible Learning: Seeds Family Worship has a family pack designed for story driven style devotionals. Or grab a children’s storybook bible and read a story a night. Act it out. Talk it over. Or use the Gospel Project materials from our online resource.

FUN! Guard a set time each week for family time. Games, prayer, a meal, etc... Treat it like an appointment that nothing can override. Spending time with your kids says I LOVE YOU!
