

WHEN SHOULD I PRAY?

1. For my family
 2. For those in need
 3. For those who are sick
 4. For my country and leaders
 5. For myself

May five fingers help me every day, to remember those for whom I can pray.

Write your own prayer:

Give thanks to the Lord each day!

At bedtime
 First thing in the morning
 At mealtime
 When I am happy
 When I am sad
 When I need something
 Anytime to pray is right!
